- 10- Title to all coins remains with the cataloguer until paid for in full.
- 11- In case of tie bids, the one received first will be the winner.

Please check your bid sheet carefully as the number of bidder's errors being called to our attention is cause for concern. No less than 34 were noted in the March Sale alone. We certainly do not want anyone to buy something they do not want, but then our consignors do expect to have their coins sold and to be paid for them on schedule. Thank you.
